

# What are **HOMELESS HATE LAWS**

Poor people's access  
to land is one of  
human history's greatest  
dilemmas.

Today, discrimination  
against homeless people  
persists everywhere.

None of these activities  
are illegal based on your  
race, religion, gender, etc...

But city by city, homeless hate  
laws make human needs a  
criminal act... and there's  
never been more houses!

Ft Lauderdale has more laws  
targeting the homeless than most  
cities, and in 2014 they proposed  
still more of them!

They also announced  
billions in downtown  
development. Deja vu!
