Food
 we start
 a
 revolution

we believe that
 power is
 a form of
VIOLENCE
 that is
Food is
the Right
 to
 live
 with
 dignity

where we also have
 community gardens, **schools**
 the government, that
 really really really
 matters, and that's
 what we're doing
 to solve the
 inequalities

in over 1000
 communities
 around the world

is an organization
 that shares
 food with

Food not Bombs

while
billions
 of dollars
 are spent,
people still
 starve
